

Meeting for council tenants to discuss water charges

If you are a council tenant, the way you pay for water is changing. From April 2019, you will no longer pay the council for your water with your rent and Thames Water will send you a separate bill for water instead.

If you would like to find out more about the changes to your water billing or speak to Thames Water, we are holding a public meeting for Camden tenants:

6.30pm, Wednesday 30 January

**Council Chamber
Crowndale Centre
218 Eversholt Street, London NW1 1BD**

If you have any questions about the event email payforwater@camden.gov.uk or call **020 7974 4444**.
