

# DEAF WORKSHOP

*Improving access to Camden Council's Services*

## WHY AM I RUNNING THIS WORKSHOP?

I would like to invite you, as a key council staff member, to my workshop on Deaf people's access to council services.

We know the council's services aren't fully accessible for Deaf people who sign, and want your help to try and change this.

In this workshop we will experiment with different ways of understanding exactly what the problems are. The workshop will be attended by Deaf residents and council staff, plus interpreters.

We look forward to an interesting discussion and hope to see you at the event.
