

Join Camden's Caretaking Team

We are looking for talented people to join our estates management service. A local team to support residents and keep their homes clean and safe, this service plays an important part in our communities and has been shaped by the people who call our council houses home.

Estate management is hugely important to the council residents. The service includes highly trained caretakers who focus on providing a local service and keeping our residents safe.

We are especially keen to receive applications from Camden residents with good local knowledge.

Starting Salary: £29,413

Apply by 5pm on 31st October 2023
Interviews from 8th November

**Help us to maintain
our safe, strong and
open spaces**

If you have any questions please
email Resourcing@camden.gov.uk

Apply online or collect an application pack
from the reception desks at either of the following
